Organization:

Dear

We are pleased to officially invite you to attend the 5th International Conference on Artificial Intelligence and Advanced Manufacturing (AIAM2023). The conference is to be held in Brussels, Belgium during October 20-21, 2023. The event will be hosted by Federation of Chinese Professional Associations in Europe (FCPAE), in association with Overseas Chinese Science and Technology Innovation Alliance, Huzhou University, International Association of Applied Science and Technology (IAAST), Asia-Pacific Artificial Intelligence Association (AAIA), Chinese Association for Artificial Intelligence (CAAI), etc.

As an academic branch of FCPAE Europe Forum, AIAM2023 aims to bring together researchers and scientists from artificial intelligence and advanced manufacture, researchers from various application areas to discuss problems and solutions in the area, to identify new issues, and to shape future directions for research. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Please note that you should deal with all expenses by yourself. Should you require any future guidance, please do not hesitate to contact our organizing committee by emailing at contact@icaiam.com

Thanks for your participating in AIAM2023. We look forward to seeing you soon.

Best wishes

Organizing Committee of AIAM2023
